

## **HAMPTON MEDICAL CENTRE**

**49A Priory Rd, Hampton TW12 2PB**

### **Salaried GP 4-6 Sessions**

We are seeking an enthusiastic and motivated GP to join our practice to enhance our professional team. We can offer up to 6 sessions/week. You will need to be a forward-thinking professional with good team working skills with a commitment to deliver high quality care.

### **About us**

Our practice is situated in a single purpose-built site which has evolved over the years serving a patient population of 11,500. We have a long and successful history of involvement with medical training and education and are part of a friendly and dynamic PCN. You will be welcomed to our supportive team and have the opportunity to thrive.

- 4 partners, 4 salaried GPS, 2 nurses and 1 HCA
- Expanding allied health professionals: pharmacist, social prescriber, nurse associate, physician associate.
- Training practice with 3 Trainers.
- Medical school affiliated practice with Year 1-2 medical students currently.
- The use of shared hub with our PCN.
- Committed practice and operations manager
- High QOF and enhanced services achievement
- Rated good in recent CQC inspection.
- Suburban leafy location, with easy parking, close to excellent public/grammar and independent schools.
- Applicants with an interest in cryotherapy, steroid injections or other additional skills would be of interest.
