

PHLEBOTOMIST

The York Medical Practice in Twickenham are looking for a phlebotomist to join our practice team.

Hours of Work

Monday – Friday 07:30am – 12pm

Hourly rate: Starting at £12.50ph

Working as a Phlebotomist you will:

- Draw two blood samples, labelling and storing correctly.
- Ensure blood samples are recorded and coded correctly on the patient record.
- Check the welfare of the participants throughout their appointments, escalating as required.

To be successful in this role you should have:

- A Certificate in Phlebotomy
- A minimum of one year's active experience drawing blood is desirable but not essential.
- Experience in taking patient observations.
- Excellent patient care skills
- Immediate holder of the Right to Work in the UK
- Agree for us to undertake a DBS check.

You will benefit from:

- 5 weeks paid holiday
- Support from our experienced nursing team
- Training and development
