VACANCY

Salaried GP – 6 Sessions (Wed/Thurs/Fri) Start September 2026

Hampton Hill Medical Centre – Training Practice

Hampton Hill Medical Centre is looking to recruit a committed and enthusiastic Salaried GP for **6 sessions per week (Wednesday, Thursday, Friday)** to join our friendly, supportive team.

We are a well-established **training practice** with a strong focus on education, safe workload and high-quality patient care. This post would suit a newly qualified GP or an experienced GP looking for a stable, well-organised practice with a collegiate atmosphere.

About Us

- GMS practice in Hampton Hill, South West London
- Training practice for GP registrars and medical students
- Supportive team of GP partners, salaried GPs, nurses, HCAs, pharmacists and administrative staff
- EMIS clinical system and use of online consultation tools
- Regular clinical meetings, debriefs and opportunities for case discussion
- Strong emphasis on **safe working**, realistic appointment numbers and protected admin time
- Actively engaged in quality improvement and teaching

The Role

- **6 sessions per week – Wednesday, Thursday, Friday**
- Mix of face-to-face and telephone consultations
- Reasonable and clearly defined workload, including protected time for administration

- Participation in duty/on-call rota by agreement and with appropriate support
- Opportunity to be involved in training, supervision and teaching if desired
- Start date: by mutual agreement

What We Offer

- Competitive salaried GP package, in line with experience
- BMA model contract principles where applicable (including CPD time)
- Supportive environment for newly qualified GPs, including debriefs and mentoring
- Opportunities to develop special interests and take on additional roles by agreement
- Well-organised practice with an experienced management team

Person Specification

- GMC-registered GP with inclusion on the NHS Performers List (or pending)
- Commitment to high-quality, patient-centred general practice
- Willingness to work as part of a multidisciplinary team
- Interest in education and training welcomed but not essential
