Job summary

Jubilee Surgery is a friendly, well-established and forward-thinking GP practice in Whitton/Twickenham. We're looking for an enthusiastic, compassionate GP to join our supportive team.

This is a fantastic opportunity for a GP who enjoys delivering high-quality, patient-centred care in a genuinely happy working environment with the option of progression to partnership for those who are interested.

Jubilee Surgery Whitton has a fixed 9-month maternity position becoming available 4th January 2027 for 4 sessions per week,

- all day Wednesdays and Fridays.
- £11,400 per session with a two-month probation period (depending on experience).

- Sessions begin at 8.30am and the last patient of the day is 6.30pm (the start time may be negotiated within reason).
- One day a week you will be on call as duty doctor and it is hoped the other day; we can facilitate a 3.30pm afternoon surgery start to enable your last patient to be 5.30pm.
- Six weeks of annual leave, one week study leave and Bank Holiday Leave are offered on a pro rata basis.

The salaried GP will be responsible for delivering the full range of primary care services as part of our surgery team ensuring the highest standards of care for the differing needs of our patient population. The salaried GP will work closely with the practice's multi-disciplinary team to provide a high quality and accessible service to patients

We may be looking to welcome a GP to our team in a permanent salaried role from spring 2027, with the potential opportunity to progress to partnership for the right candidate, should they wish to pursue this in the future.

About us

Jubilee Surgery is a high-performing, close-knit practice caring for around 6,000 patients. We are active members of our local PCN and work from modern, purpose-built premises, shared with District Nursing, Social Care, Podiatry and Physiotherapy teams making collaborative working easy and effective.

Our multidisciplinary team includes:

2 GP Partners

3 Salaried GPs

Pharmacist

Physician Associate

Senior Practice Nurse and HCA

Care Coordinators, Mental Health Worker and Social Prescriber

All supported by an excellent, approachable Practice Manager and a knowledgeable, friendly reception and admin team who are central to the smooth running of the practice.

Staff wellbeing genuinely matters to us- many of our team have been with us for years. We have an open-door culture, a good sense of humour, and an inclusive, supportive ethos. We also value regular social activities together and believe work should be a place you genuinely enjoy coming to.
